THOMAS PRINTZ' PRIVATE BULLETIN. A BRIDGE TO FREEDOM PUBLICATION.

April 12th 1959. VOL.8. NO.2.

My dear children:

As all the mankind of Earth share one air, one sun, one light, one water and one Earth, so do they share in a mystic manner a pulsation which forms the heart beat, both of their "I AM" Presence and their outer self.

When the Great Central Sun and the Seven Solar Logoi established a humanity upon the Earth a great expulsion of energy was sent forth which formed a stream of rhythmic pulsating fire and which, like a cosmic bellows, fanned every beat of the human heart. This is why it is said that mankind has but one heartbeat in common.

The natural cosmic rhythm of life which flows like the bloodstream through the human body is tapped by every human being who wears a garment of flesh and so long as the universal rhythm moves through the inner realm of life, so long will such a life-stream have an opportunity to draw upon the limitless life and pass through the experience which will one day result in Victorious Mastery.

As the pulse of the human body is disturbed at various times by fever and disease, so does this cosmic pulsebeat on certain grave occasions begin to weaken in its flow and at these times of cosmic crisis, the Hierarchy dedicated to the service of mankind perform a cosmic "transfusion" wherein They give of Their own Pure Essence of energy to re-vitalize the cosmic energy current lest the entire race perish by reason of its own self-created iniquity.

The Presence of the Great Sanat Kumara and all succeeding Avatars, including the Master Jesus, gave tremendous assistance to the sustaining of this universal mystic current. Today, as we come to the final initiation of the Planet Earth we are again faced with this "cosmic fever" which affects the rhythm of its current in a very serious manner. Every unascended being who draws on this current may also feed it, if they will, by pouring back through it the substance of their own life, love and faith and light, which makes it flow stronger.

This is the service that the Hierarchy is rendering at this hour and to which we call the assistance of all sincere and earnest students who are desirous of working in the establishment and sustenance of a kingdom akin to the Heavenly Realm of the Ascended Masters' State.

Love and Blessings
